M700

always connected

The power of the cloud
with absolute pool-cleaning performance

Temperature sensor
Tells you the water temperature

Filter gauge
Shows you 5 levels of filter status

Powerful performance
Get a deep clean with Maytronics Dolphin's superior scrubbing and filtering capabilities.

Ease of use
Simple, plug-and-play operation takes all the hard work out of pool cleaning.

Peace of mind
Dolphin robots run independently from your pool's system, so you get a totally clean pool – no compromise!

Wi-Fi® connectivity
The MyDolphin™ Plus mobile app puts full control of your robot in the palm of your hand. Make your pool perfect, from anywhere, anytime.

48 MONTHS WARRANTY 48 MONTHS

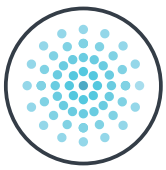
Absolute pool-cleaning performance

Welcome to pool cleaning on a whole new level.
The Maytronics Dolphin M700 robotic pool cleaner saves you valuable time with its simple operation and Wi-Fi® connectivity.
Use the MyDolphin™ Plus mobile app to customize cleaning schedules for your convenience and your pool's needs. The M700 was masterfully designed to deliver incomparable scrubbing of the floor, walls, and waterline. It's got a unique sensor that lets you know the water temperature, and a gauge that shows you 5 levels of filter status, and if the filter is clogged up.

PowerStream and dual-drive mobility deliver incomparable waterline cleaning

Rises to the surface for easy removal

Low energy consumption



Multi-layer filtration system with Extra Sealing, prevents the return of fine dust to the pool

Set it & forget it using the MyDolphin™ Plus mobile app

Advanced weekly scheduler and cleaning cycle options
